

My name is Cathleen Drew, and I am asking for your vote to serve on the Board of Directors of NDASA. As a founding board member of our association, I am keenly aware of our mission: “To advocate for safe and drug-free workplaces and communities through legislative advocacy, education, training, and excellence in drug and alcohol screening services.” With 16 years of experience in drug and alcohol testing and a deep understanding of NDASA's founding principles, I will focus on our association's continued growth.

I have been the NDASA Conference Committee Chair from 2018 to 2023, leading the NDASA Conference to where it is today, the largest industry conference and trade show in the drug and alcohol testing industry. I remain an active committee member. I am also active on the Marketing & Communications Committee.

I ask for your vote so I may continue to serve our industry and the important work we do collaboratively to carry out NDASA's mission.

I would appreciate your support and vote in the upcoming election. Please feel free to contact me at [cathleen@circle-d-farms.com](mailto:cathleen@circle-d-farms.com) if you have any questions, comments, or suggestions. I look forward to hearing from you and seeing you at this year's annual conference in Hershey, PA.

Sincerely,  
Cathleen Drew
