	The Science Behind the SAMHSA Oral Fluid Testing Standards, Establishing Confidence and Harmonization	
	Enhance your understanding and learn the benefits and limitations of oral fluid testing while becoming empowered to best identify the	
	appropriate testing options for your organization or clients based on best practices and laboratory analysis.	
	Dr. Christine Moore, President of 9 Delta Analytical	Cocoa Suite 1
	Navigating the Return-to-Duty Process	
	Many employers shy away from returning an employee back to duty after a violation for justifiable reasons; however, having a robust	
	employee assistance program (EAP) in place that treats the employee's substance abuse disorder as well as any co-existing conditions has a	
	huge return on investment. Learn the value and process for bringing back rehabilitated employees.	
	Dr. Todd Simo, Chief Medical Officer & Managing Director of Transportation for HireRight	Cocoa Suites 2-3
	Dr. rodu sinno, chiej wiedicui Ojjicer & wandging Director of Transportation for Hireright	Cocoa Sulles 2-5
	Emerging Technology and the Future of Drug Testing	
	The world of drug testing is changing as cannabis legalization increases, the economy continues to sputter, and employers look for	
	economical ways to keep their workplaces safe and drug-free. This panel of experts will discuss emerging technologies such as lab-based oral	
2:15 pm - 3:15 pm	fluid, rapid oral fluid using current and emerging methods specific for parent THC, proctored virtual collections and tests, and non-drug	
Breakout Sessions 1	testing impairment evaluations using proven drug recognition eve response technology.	
	Panel: Ken Fichtler, CEO of Gaize; Jeff Heimburger, CEO of Buzzkill Labs; Doug Meiser, SVP of Drug Screening at eMed Screen; Jackie Pirone,	
	Sr. Dir. for OraSure Technologies' Risk Assessment Division	
	Facilitated by Bill Current of Current Consulting Group	Cocoa Suites 4-5
		55500 Juites 4-J
	Clear Minds, Clear Work Strategies	
	New trends in psychedelic therapy are exposing workplaces to dangerous incidents that could crush company safety and incur liability. What	
	policies and procedures should be in place? Learn how to avoid devastating incidents and engage in proactive intervention options to	
	maintain safe and productive workplaces.	
	Chuck Marting, President, Colorado Mobile Drug Testing LLC	Crystal A
	Federal Railroad Association (FRA) Program Overview & Updates	
	For those with Federal Railroad drug and alcohol testing programs, this is your opportunity to learn from the expert! Join this session for	
	information and updates that apply specifically to this DOT mode with an opportunity for Q&A.	
		Cocoo Terraco
2.15 mm 2:20	Sam Noe, Drug & Alcohol Program Manager, FR A & Patty Sun, Senior Attorney FRA Office of Chief Counsel	Cocoa Terrace
