## *Annual Accreditation Renewal Statement*

### Collection Site/Mobile Collector

The Collection Site/Mobile Collector Accreditation packet is valid for five (5) years from the date of approval and must be **fully resubmitted every 5 years**.

An annual review is required each consecutive year to maintain accreditation compliance. The annual review fee is \$95, which includes a certificate update. If the information remains the same as when it was submitted with the original application, the applicant will only be required to attest that no changes have been made.

Applicants are subject to an internal compliance audit by a qualified individual on the Review Board with potential of revocation for egregious violations/non-compliance.

If you have questions about accreditation renewal or changes in your information, please contact [info@ndasa.com](mailto:info@ndasa.com).
